

## Example Four-Year Plans of Study for the B.A. in Biology

### 4 year program

Advanced students that have completed Math 107

| Fall - 1   | Spring - 1   | Fall - 2     | Spring - 2 | Fall - 3       | Spring - 3     | Fall - 4   | Spring - 4 |
|------------|--------------|--------------|------------|----------------|----------------|------------|------------|
| Math 108 4 | Biol 106 4   | Elect 4      | Elect 4    | Physical Sci 4 | Physical Sci 4 | Biol 482 4 | Elect 4    |
| Biol 105 4 | GER-H/SS 3   | Biol 310 4   | Stat 273 3 | Biol elect 4   | Biol 362 4     | Elect 4    | GER-H/SS 3 |
| Chem 105 4 | Chem 106 4   | Biol elect 4 | Biol 271 4 | Elect 4        | Elect 4        | GER-H/SS 3 | Elect 4    |
| GER-H/SS 3 | GER-H/SS 3   | GER-H/SS 3   | GER-H/SS 3 | GER-H/SS 3     | Elect 3        | Elect 4    | Elect 4    |
|            | Biol elect 2 |              |            |                |                |            |            |
| 15         | 16           | 15           | 14         | 15             | 15             | 15         | 15         |

Note that 36 credits of Biol elect or Elect must be upper-division.

### 4 year program

Students with little math background but who have had high school chemistry and physics

| Fall - 1   | Spring - 1 | Fall - 2   | Spring - 2 | Fall - 3   | Spring - 3   | Fall - 4       | Spring - 4     |
|------------|------------|------------|------------|------------|--------------|----------------|----------------|
| Math 105 4 | Biol 106 4 | Chem 105 4 | Chem 106 4 | Biol 310 4 | Elect 4      | Biol 482 4     | Physical Sci 4 |
| Biol 105 4 | Math 107 4 | Math 108 4 | Elect 4    | Elect 4    | Biol 362 4   | Physical Sci 4 | Elect 4        |
| GER-H/SS 3 | GER-H/SS 3 | Stat 273 3 | Biol 271 4 | GER-H/SS 3 | Biol elect 4 | UD Elect 4     | Biol elect 2   |
| GER-H/SS 3 | GER-H/SS 3 | GER-H/SS 3 | GER-H/SS 3 | Elect 4    | Elect 4      | Biol elect 4   | UD Elect 4     |
|            | GER-H/SS 3 |            |            |            |              |                | Elect 2        |
| 14         | 17         | 14         | 15         | 15         | 16           | 16             | 16             |

Note that 36 credits of Biol elect or Elect must be upper division.
