PC-Based Scan Tools

This is a non credit practical course in the use of PC-based scan tool technology, with an emphasis on aftermarket tools such as AutoEnginuity and AutoTap. This course will provide instruction to those who are considering owning a scan tool for personal use, as well as bolstering the skills of established technicians.

COURSE DATES: Saturdays, 9 AM-1 PM
February 20-March 13, 2010
COST: $200.00
COURSE REFERENCE # 40237

Location:
