Purpose: In addition to the general Tech Prep Agreement between the University of Alaska Southeast and Juneau School District, we have agreed to the following process and criteria with respect to the programs of *Associate of Applied Science in Health Sciences*.

1. The Juneau School District Health Sciences program will follow a curriculum coordinated with the administration and faculty of the University of Alaska Southeast pertaining to the following courses:

<u>UAS</u>		<u>JSD</u>
HS S101 Intro to Health Sciences	3 credits	Intro to Health Sciences
HS S135 Medical Terminology	3 credits	Medical Terminology

2. Juneau Douglas High School will teach for the attached outcomes.
3. Students must have an overall 2.0 GPA to register for university credit.
4. Students must have successfully completed a full year of Biology prior to enrolling in the Introduction to Health Science course and/or the Medical Terminology course, or have the approval of the instructor.
5. Students must have achieved junior or senior status in order to enroll in the Introduction to Health Science course and/or the Medical Terminology course, or have the approval of the instructor.
6. Those electing to register for University of Alaska credit must declare so at the beginning of the semester.
7. UAS program chairs shall review and approve all course syllabi and related curriculum documents to ensure they replicate exactly what is taught in the equivalent UAS courses on campus. This includes standardized course syllabi, course objectives, textbooks, tools, equipment, and methods for evaluation of student performance.
8. In order to receive concurrent credit, the student will register for the Tech Prep class during the semester in which the competencies will be completed. The UAS grade posted will be the grade earned in that semester.
9. Any change in instructor requires suspension of this addendum.
