**Purpose:** In addition to the general Tech Prep Agreement between the University of Alaska Southeast and Petersburg City School District, we have agreed to the following process and criteria with respect to the programs of *Power Technology*.

1. The Petersburg City School District program will follow a curriculum coordinated with the administration and faculty of the University of Alaska Southeast pertaining to the following courses:

<u>UAS</u>		<u>PCSD</u>
MTR S121-Outboard and Small Engines	3 credits	Small Engines

2. Petersburg High School will teach for the attached outcomes.
3. Students must have an overall 2.0 GPA to register for university credit.
4. Those electing to register for UAS credit must declare so at the beginning of the semester.
5. It is recommended that coursework be completed at a level of 3.0 GPA.
6. Attendance is a major component of grading. There is a limit of eight unexcused absences per semester for a passing grade.
7. Those electing to register for University of Alaska credit must declare so at the beginning of the semester.
8. UAS program chairs shall review and approve all course syllabi and related curriculum documents to ensure they replicate exactly what is taught in the equivalent UAS courses on campus. This includes standardized course syllabi, course objectives, textbooks, tools, equipment, and methods for evaluation of student performance.
9. In order to receive concurrent credit, the student will register for the Tech Prep class during the semester in which the competencies will be completed. The UAS grade posted will be the grade earned in that semester.
10. Any change in instructor requires suspension of this addendum.
