Tech Prep Articulation Agreement Between University of Alaska Southeast (UAS) and Wrangell Public School District (WPSD)

Construction Technology School Year 2016-2017

Purpose:

In addition to the general Tech Prep Agreement, the purpose of this articulation agreement is to outline the mutual understanding as we have agreed to the following process and criteria with respect to the program of Construction Technology.

Course:

The school district program will follow a curriculum coordinated with the administration and faculty of UAS pertaining to the following course:

Construction - Basic Construction Techniques

CT S120 Overview of construction hand and power tool usage, building procedures and codes, job and site planning, layout, foundation, floor, wall, and roof framing methods, utilizing current construction practices. 3 Credits (2+2) No prerequisite

Although teaching methods may differ, this course will be subject to the instructional objectives and outcomes of the attached UAS syllabus.

Administration:

- 1. Students must have an overall 2.0 GPA to register for university credit.
- 2. It is recommended that course work be completed at a level of 3.0 GPA.
- 3. Students must successfully complete UAS CT 120 Basic Construction Techniques with a minimum course 2.0 GPA prior to registering for university credit in UAS CT S222 Building Construction I.
- 4. A safety contract, completed and signed by the student and parent will remain on file with the district for students enrolled in UAS CT S120 –Basic Construction Techniques.
- 5. A written safety test must be passed with 100% accuracy and a demonstration of safe use must be observed by the instructor prior to power tools being operated by the student.
- UAS program chairs shall review and approve all course syllabi and related curriculum documents to ensure
 they replicate the UAS course. This includes standardized course syllabi, course objectives, textbooks, tools,
 equipment, and methods for evaluation.
- 7. To receive concurrent credit, the student will register for the Tech Prep course at the beginning of the term in which the competencies will be completed. Registration for yearlong courses will take place during the fall semester.
- 8. The UAS grade posted will be the UAS grade earned for the course and submitted by the district instructor.
- Student grades will be submitted by 5:00 p.m. of the final day of the district semester at uaonline.alaska.edu.

10. Any change in instructor requires suspension of this addendum.
