## Tech Prep Articulation Agreement Between University of Alaska Southeast (UAS) and Craig City School District (CCSD)

### Welding Technology School Year 2018-2019

#### Purpose:

In addition to the general Tech Prep Agreement, the purpose of this articulation agreement is to outline the mutual understanding as we have agreed to the following process and criteria with respect to the Welding Technology program.

#### Course:

The school district will follow a curriculum coordinated with the administration and faculty of UAS pertaining to the following course:

#### Welding – Basic Welding WELD S120

A beginning level course covering the fundamentals of oxyacetylene welding, brazing, cutting and electric arc welding. Emphasis in flat and horizontal welding positions on mild steel using a variety of welding rods and techniques.

**3 Credits (1+4) No prerequisite.**

Although teaching methods may differ, this course will be subject to the instructional objectives and outcomes of the previously approved course syllabus that aligns with the UAS syllabus, rigor, and learning outcomes.

#### Administration:

1. Students must have an overall 2.0 GPA to register for university credit.
2. It is recommended that course work be completed at a level of 3.0 GPA.
3. Students must successfully complete UAS-WELD 120 Basic Welding with a minimum course 2.0 GPA prior to registering for university credit in UAS –Weld 175 Intermediate Welding.
4. Students will implement safety procedures as designated by AWS, QC10 and ED 2.0 2006.
5. A safety contract, completed and signed by the student and parent, will remain on file with the school district.
6. Students must pass a written safety test with a 90% accuracy which will remain on file with the school district.
7. UAS program chairs shall review and approve all course syllabi and related curriculum to ensure they replicate the UAS course. This included standardized course syllabi, course objectives, textbooks, tools, equipment, and methods for evaluation.
8. To receive concurrent credit, the student will register for the Tech Prep course at the beginning of the term in which the competencies will be completed. Registration for yearlong courses will take place during the fall semester.
9. The UAS grade posted will be the UAS grade earned for the course and submitted by the district instructor.
10. Student grades will be submitted by 5:00 p.m. of the final day of the district semester at [uaonline.alaska.edu](http://uaonline.alaska.edu).
11. Any change in instructor requires suspension of this addendum.
