# Hiring Forester I's

## Interior Alaska Forest Inventory Project

*Alaska Division of Forestry*

**Closing Date:** 2/11/19 5:00pm  
**Alaska Residents Only**

**Salary:** \$22.89/hour + benefits  
**Job Type:** Long Term Nonperm.

**Work season:** March – October

**Duty Station:** Fairbanks, AK

**Field Schedule:** 9 days on, 5 days off; 10-12 hour workdays, overtime eligible

**Job Description:** lead crews to helicopter and hike-in sites throughout Interior Alaska to install new forest inventory plots and take measurements on trees, soils, fuels, understory vegetation, etc. Work cooperatively with US Forest Service and implement Forest Inventory & Analysis protocol. Perform flight-following, daily scheduling, and helicopter manager duties. Complete pre- and post-season tasks such as training development, manage equipment inventory, obtain landowner permission, etc.

**Desired qualifications:** experience organizing logistics & staff to meet field objectives, knowledge of forest measurements and measurement equipment backcountry navigation and travel experience, supervisory experience leading crews in remote settings, Interagency aviation qualifications or previous work-related helicopter experience.

**Minimum qualifications:** Bachelor's degree from an accredited college in forestry, natural resources, or a closely related field that includes a minimum of 24 semester hours in forestry or closely related curricula  
OR  
an Associate's degree that includes a minimum of 24 semester hours in Forestry or closely-related curricula and two years' journey level experience in technical aspects of forest management and practices  
OR  
Certification from an accredited vocational technical school in forestry, natural resource management or a closely related field and three years of journey level experience in the technical aspects of forest management and practices
