 Attendance:
Juneau: David Klein, John French, Julie Staveland, Jennifer Ward, Anita, dana, David, Tara

 Absent: Katie Bausler, Colleen McKenna, Deborah Rydman, Joel Mundy,
Ketchikan: Gail Klein – Absent
Sitka: Jill Hanson

 Updates

Dave Klein – Photographs have been an issue for a while. We have students who take photos but do not like to manage photos resulting in a backlog of photos. I have met with students and showed them the process however they do not follow through.

To address the concerns we will have:
• Photo release form with information how to manage photos.
• A new catalog will generate release forms with associated photo. This provides assurance you can use the photos.

Ketchikan and Sitka also has access.

Anita – I have photos from faculty. Do I need a release?
John – You could get a release for all photos.
Dave – There is no standard for the university.

**Adding a Link for research to Explore**

John – My intention is to create more of a web presence with accreditation in mind.

Discussion

John – I suggest we put it on the web page Banner and Footer until accreditation is complete per request from the Provost office.

Keeping in mind – the student point of view.

John – What does Student Point of View mean to you?

Discussion

Have a box with link to Strategic Plan on the accreditation page (footer).
Have it on the Provost and Faculty/Staff page.
Underline Accreditation link so it looks like an active link.

Jill – make sure our website reflects what is in our strategic plan.

Show in box – sliding feature –on home page.
Accreditation Page
Provost and Faculty/ Staff page

Dave – UAS in the News

**Portal Access**

John – Question proposed – why not be able to access portal on any page?

• Above bar – each page is personalized.
• Notifications pop up from clubs or financial aid
• More convenient and accessible
• Login prior to or login in when click on new portal links

Dave – Add what is UAS Online under the MyUAS.
John – We could use a hover option for portal links.

This proposal is in the concept stage.

**Admissions or Guest Account**

Statewide was unable to resolve the authenticity issues – takes resources, time and collaboration.

Jill – We are ready to work with you.
John – The Chancellor wants it completed by Fall Semester.

**Next Meeting**
TBA Jenny’s presentation
Next regular meeting is to be scheduled for October.

Meeting Adjourned at 11:00 am.
