20947	Ketchikan Welding Support	To fund upgrades to the Ketchikan Welding Lab and purchase educational welding equipment.
20973	Burke Riley - Dick Freer Memorial Scholarship	To recognize the contributions of both Burke Riley and Dick Freer to the State of Alaska and provide scholarships for students at UAS.
20987	Getting Ready for College	To educate students grade 5-12 in Southeast Alaska on the positive lifetime economic impact of continuing their education past high school with an enhanced focus on Middle School outreach. The program strives to help students prepare for and succeed either within the college environment or in other training programs after high school.
20991	Student Activities and Housing Support UAS	To support University of Alaska Southeast student activities, housing programming, and expenses.
new	Children's Alaskana Collection Support Fund	This fund will be established in support of the University of Alaska Southeast Children's Alaskana Collection, donated to the Egan Library by Katherine Spangler, UAS Prof. of Education. Gathered over many years, Spangler's collection contains more than 800 fiction and non-fiction children's books about Alaska. The intent of this fund is to allow the UAS Egan Library to continue acquiring relevant titles as they are published, and to preserve the existing collection.
new	The Learning Center Support Fund	The Learning Center's primary mission is to facilitate learning and to maximize educational success by providing the best possible educational experience for students and faculty through peer tutoring, class visits, workshops, secure testing and other services. The Learning Center provides tutoring services to students on an individual basis and organizes study groups, enhancing cooperative learning among students. The Learning Center employs talented students in math, writing and other subjects to offer insight, support, and tips on studying in a peer-driven setting, helping students learn while studying together. Further, the Learning Center works to enhance the university learning community by coordinating support services for faculty. As a resource center for intellectual inspiration, the Learning Center serves as a venue for discipline-specific and cross-disciplinary discussion groups for students and faculty. Financial support is needed to ensure the quality of existing services, and to pave the way for the evolution into a center for teaching and learning, which will require additional staff and resources. Funds generated through gifts from faculty, staff and other donors will be used to further support the Learning Center's mission and activities.
