Disability Support Services (DSS) will pay you for providing copies of your notes in the class identified above. If you take notes for students in more than one class, please complete a separate application form for each class.

Payment for copies of your notes will be \$25 per credit hour per class per semester (e.g., payment in a three-credit class is \$75 total). There is no additional payment if copies of your notes are provided to more than one DSS student in the class. You will receive payment approximately three weeks after the end of the semester.

If you decide to discontinue providing copies of your notes, if your notes prove unsatisfactory to the student(s), or the student(s) drop the class prior to the end of the semester, DSS will pay you on a prorated basis for the number of sessions you actually provided notes.
