

Master of Arts in Teaching - Secondary

Student Self-Evaluation of Professional Dispositions

Name of applicant: _____

The UAS School of Education is committed to preparing informed, reflective and responsive teachers for schools in Alaska and beyond. We believe that certain traits or dispositions characterize a successful teacher. Please check below to indicate your strengths and areas you would like to improve. Check at least three that you are strongest in and at least one that you would like to improve.

In your statement of professional objectives written for the admission writing sample, you should refer to your choices and how they relate to being the teacher you would like to be.
