UAS Online!

http://online.uas.alaska.edu/online

This is where you will access your online courses

Log in using your user name (ex: fmsmith) and the password you created through ELMO.
Once logged in, you will have access to a multitude of resources for both current and past courses.
Clicking on the name of a class will bring you to that specific profile. You will have access to your syllabus, gradebook, classlist, assignments, and other resources provided by your instructor.
By clicking “Edit Profile” you will be able to provide a photo as well as information about yourself that other classmates can see. Remember, this is optional.
For more detailed information, go to [http://www.uas.alaska.edu/helpdesk/index.html](http://www.uas.alaska.edu/helpdesk/index.html) and click on the “Coursework” option on the left. Then click on “UAS Online!”
