My signature below signifies acceptance of the following regulations governing the scholarship I have been awarded:

- This scholarship is based on full-time attendance, which is 12 credits/term.
- Receipt of this scholarship may reduce the amount of loans that I am eligible to borrow for this academic period.
- This scholarship requires that I maintain satisfactory academic progress: I must complete 12 credits with at least a 2.0 cumulative grade point average each term.
- If I do not maintain satisfactory academic progress, I will be suspended from financial aid and will have to appeal in order to request that my scholarship be reinstated.
