## TEACH Grant Program

---

Student name

---

Student ID

I am aware that a TEACH Grant recipient who does not complete the required teaching service within eight years of completing his or her academic program, subject to certain exceptions, or fails to meet certain other requirements of the TEACH Grant Program, must repay the TEACH Grant as a Direct Unsubsidized Loan under the William D. Ford Federal Direct Loan Program with interest, accrued from the date the TEACH Grant was disbursed.

I am also aware that, unless I qualified for this program by achieving a score at or above the 75<sup>th</sup> percentile on a standardized admissions test, I must achieve and maintain a minimum 3.25 cumulative grade point average to remain eligible for this program, and I am aware that only the following UAS programs have been identified as eligible for the TEACH Grant Program:

- Bachelor of Arts in Biology
- Bachelor of Science in Biology
- Bachelor of Science in Environmental Science
- Bachelor of Science in Marine Biology
- Bachelor of Science in Math
- Master of Arts in Teaching, Secondary Education, pursuing a Science, Math or Foreign Language endorsement.
- Master of Education in Reading
- Master of Education in Special Education

Finally, I am aware that if I am pursuing one of the approved Bachelor degrees then I must continue on with the Master of Education Secondary Education degree program, Science or Math endorsement, after I complete my undergraduate degree.
