Office of Residence Life

Dear Housing Resident:

Please complete the below registration form if you wish to keep a vehicle in student housing. You must attach a photocopy of a valid driver's license, vehicle registration, and proof of insurance. Students are responsible for updating these documents with the Residence Life Manager as they change or expire. Unregistered vehicles will be ticketed. You may provide all materials prior to your arrival on campus to expedite processing. Once assigned, your parking tag will be placed in your mailbox.

The cost of parking is \$50.00 per semester. Vehicles must meet state safety licensing standards and remain in operable conditions at all times or they will be towed at the owner's expense. UAS assumes no responsibility for personal vehicles or their contents.
