II. Approval of the Minutes - October 18th, 2013: Vice President Dominy motions to approve minutes, seconded by Senator Symons. Minutes approved.

III. Audience Participation:
a. Max is here to talk about transportation here on campus; it’s very dangerous crossing the road to Anderson, especially during 8-9 and 5-6. He would like to see a shuttle or something offered to help students be safer. Eddy Reeves takes classes down at Anderson and is in shock about there being no shuttle service because it is very dangerous and he feels it is a very big liability.

IV. Correspondence:
a. The Alumni has invited Student Government to attend the revealing of the new Whale Statue that will follow our meeting. The gathering will be held in the Glacier View Room from 5-7. All of the money was raised and donated to purchase the statue.
b. Advisor’s Report: None
c. President’s Report: President Kramlich received an email regarding accessibility here on campus from the Chancellors cabinet. The Coalition took the inputs regarding the network fee, and forwarded on a memo to President Gamble. The memo recommends having an exact money amount and not a percentage amount.
d. Vice President Report: Vice President Dominy attended the meeting on Saturday morning regarding zoning and construction. There are two places that can be zoned in Auke bay for a possible grocery store. DOT was there to talk about the safety, the sidewalks and the widening of the highway. They will be putting up guard rails on the side of the road. There is talk about a path behind the new Housing Hall to provide safer access to Anderson.

V. Old Business:
a. Second Reading Bill 1314-09, Alaskapella, Senator Campbell: Senator Campbell read second reading of bill 1314-09. Bill amount needs to reflect $4500 instead of the $3500. All in favor- Motion carries.
