How to Get Library Books and More: For UAS E-Learners

As an e-Learner you have access to both the electronic and print books available from Egan Library, other libraries throughout the state, and even libraries around the world!

Before you can obtain books from the library you need to:

- Set up an ILLIAD account. ILLIAD is a system for ordering and tracking books, articles, and other information resources you need: [http://bit.ly/VgM9Em](http://bit.ly/VgM9Em) (Egan Library > Services > Interlibrary loan)

Follow the steps below to obtain print books, DVDs, and other materials that you can find in the library catalog.

**Tip!** You can also access numerous electronic books via both the Joint Library Catalog (JLC) and WorldCat. 😊

---

**Do you have physical access to one of these libraries?**

- Alaska State Library
- Anchorage Museum
- Anchorage Public Library
- ARLIS
- Big Lake Public Library
- Juneau Public Libraries
- Palmer Public Library
- Sealaska Heritage Institute
- Sutton Public Library
- Talkeetna Public Library
- Trapper Creek Public Library
- UAA – All libraries
- UAS Egan Library
- Valdez Consortium Library
- Wasilla Public Library
- Willow Public Library

---

**YES**

---

**NO**

---

**NO**

Once you find the materials that are useful to you, you may find that they are located at your local library. If they are not, look for the ILLIAD icon and link to place your ILL request [Place an ILL Request](http://bit.ly/egancat).

Once you login to ILLIAD, WorldCat will automatically populate the ILLIAD form for you. Double check the form and submit it. If you are here in Juneau, the materials will be delivered to Egan Library for you to pick up. If you are outside of Juneau, the materials will be mailed to your home. Please note that you will need to pay the postage to return them.

---

**If, at any time, you need help searching the catalog or any other aspect of your research, ask a librarian!** We are here to help. Find our Contact Information page via the Egan Library homepage for how to get in touch.
