Egan Library Digital Display Guidelines Policy

*Images are displayed at the discretion of the Egan Library faculty or director*

Guideline Statement:

*Library related services, events, news, and initiatives are the top priority for the digital display board.* The Egan display may also feature non-library campus research and creative activities as space permits.

Examples of what will be displayed:

- New books in the library.
- New items for checkout.
- Featured databases / resources.
- Informational items for library patrons.
- Survey results.
- Student art, literature, and photography.

Image size and format guidelines:

Image aspect ratio should be 16:9

Image resolution 1920 X 1080

Image size, the bigger the better.

JPG format

How to display an image:

Display ready images (conform to the above guidelines) can be sent to jennifer.ward@uas.alaska.edu

Library staff are not able to prepare/modify non-conforming images
