All UAS courses have a course site be in the Blackboard Learning Management System. Go to UAS Online (www.uas.alaska.edu/online) and login to find your courses.

Resources to help you learn to use Blackboard:

- **www.uas.alaska.edu/idc/** – the regional Instructional Design Center website has "how-to" instructions to help you learn how to upload your syllabus, make files and links available to your students, get started using the gradebook and create tests, assignments etc.

- For additional help, call or email **Maureen O'Halloran** – maohalloran@uas.alaska.edu; 747–7725 or 1–800–478–6653 ext. 7725

- You can also contact:

  **UAS Helpdesk:** helpdesk@uas.alaska.edu; 796–6400 in Juneau or 1–877–465–6400

  **Kimberly Schulte** (Ketchikan) – kcschulte@uas.alaska.edu; 228–4507 or 1–888–550–6177

**NEW! Online Blackboard Course in “Training Semester”**

**Blackboard: Instructor Orientation**

An online course for faculty and staff covering Blackboard basics – go to UAS Online and choose the “Training Semester” – find IDC–02 OR go to http://uas.alaska.edu/pub/bb201. This course is still under development but you can visit NOW as a Guest and browse through the course – soon you’ll be able to add yourself as a student and test your knowledge with quizzes and other activities.

**Blackboard Course for Students (Behind the Scenes)**

You can your students can also go to COED–002–T71 or http://uas.alaska.edu/pub/bb101 to learn more about Blackboard from the student’s point of view.

**More eLearning Tools**

UAS supports a variety of eLearning tools including webconferencing, presentation tools, quiz making tools and more – see the idc site www.uas.alaska.edu/idc/

**Additional Support and Training**
