

UAS Student Housing

Resident Bicycle Registration

Bicycle registration allows the resident to document ownership and responsibility over personal property. UAS assumes no responsibility for loss or damages sustained to personal property, including student-owned bicycles. Bikes should be secured when not in use. Students must comply with the Bicycle Policy in the Residence Life Handbook. Bikes must be stored in appropriate areas. If left for more than 30 days past the end of the semester or the termination of your housing agreement, the bike will be removed and donated. Return this form to the Lodge Desk when completed.

Student Name: _____ Permanent Phone: _____

Permanent Mailing Address: _____ Owner Phone: _____

_____ Approximate Age of Bike: _____

Bicycle Description

Bike Type (street, mountain, etc.): _____ Brand: _____

Model: _____ Color(s): _____ Serial Number: _____
