

Fall-Spring 2008-09 Housing Registration (Single Student Apartments Only)

Returning Housing residents will be given the opportunity to select their own apartment-mates and to indicate a preference for which unit(s) they would like to be assigned to. Additionally, summer residents wishing to remain in their units for the fall semester to avoid unnecessary relocation will be accommodated to the best of our abilities. Please complete this form and attach corresponding completed Academic Year Housing Agreements before submitting it at the Lodge Desk, to be placed in Washko's box.

Residents who have pre-selected roommates and can fill a 4-person apartment will be given placement priority. This form may be submitted for individuals who have not pre-arranged living-mates, *or a single form may be submitted for four residents who agree to live with one another.*
