SOUTHEAST

learn • engage • change

UAS is an AA/EQ employer and educational institution

Oops!

We may cancel it because we didn't know you planned to take it!

Sometimes excellent courses with super instructors are canceled when too many people wait until the last minute to register. Our courses have to be cost-recoverable and we need a minimum of students enrolled before a class will run. To avoid any inconvenience to students and instructors, we cancel under-subscribed courses ahead of time.

**Don't wait. Avoid disappointment.
Register early and include your payment.**

To obtain a refund when dropping a class, a student must cancel at least 7 days before the class begins.

We will sometimes make an exception to this policy if the student cancels in time to be replaced by another student.

All exceptions to this policy are by permission of the Community Education and Professional Development Coordinator only.

In accordance with the Americans with Disabilities Act, this material is available in alternate formats upon request.
