Position Announcement

Position: Maintenance Engineer  
Location: Macaulay Salmon Hatchery, Juneau, Alaska  
Duration: Full time  
Salary Range: DOE  
Closing Date: Open until filled  
Starting Date: ASAP

Hatchery Overview: Macaulay Salmon Hatchery is a large multi-species salmon hatchery operated by Douglas Island Pink & Chum, Inc. in Juneau, Alaska. The facility raises 125 million chum, 1 million chinook and 1 million coho annually for the purpose of enhancing common property fisheries in northern Southeast Alaska. The facility also houses a visitor center that hosts tens of thousands of tourists and students every year.

Purpose / Duties:  
This position works under the supervision of the Director of Operations and is responsible for overseeing and implementing all aspects of facility and equipment maintenance. This is a multifaceted position that is responsible for but not limited to: developing, implementing, maintaining preventative maintenance schedules, preparing the annual maintenance budget, purchasing equipment and supplies, designing, fabricating, and installing new systems and equipment, and supervising maintenance staff.

Qualifications:  
A minimum of five years experience in the maintenance field with strong skills in electrical, mechanical, and plumbing required. The preferred candidate will also: have the ability to troubleshoot and repair equipment and systems, have strong organizational and problem solving skills, and be able to effectively and efficiently plan, schedule, and implement tasks and projects within timelines and budget. Other desirable skills include carpentry, MIG and ARC welding, metals fabrication, small boat operation and repair, refrigeration systems knowledge, hydraulic systems knowledge, diesel and gas engine repair, and computer experience using MS Excel and Word and the Internet. In addition to the above skills and qualifications, the successful candidate must be in good physical health and able to work in inclement weather, be able to lift, push, or pull heavy loads, and possess or be able to obtain a valid Alaska driver’s license.

Salary and Compensation: Salary is DOE with a generous benefits package. Assistance with relocation expenses is also available.

Interested persons should provide a cover letter, resume and three references to:
