Agenda

• Shifting TLTR mission:  
• Is the committee interested in moving toward a more strategic focus (vs. operational)?  
• As a committee, can we help with a draft of a white paper describing the strategic vision of teaching, learning, and technology at UAS?  
• If so - issues to consider:  
• Learning Outcomes - how does faculty measure them? How do we aggregate the data?  
• How can TLTR work with the Learning Center to promote professional development?  
• How do we (or how can we) enhance learning environments with technology?  
• How are we encouraging innovation in technology integration?  
• How do our students learn?  
• Other
