Educational Leadership
SUPERINTENDENT ENDORSEMENT

A one-year program that features a combination of e-Learning and residential classes synced to fit your working schedule.

"There is a great need in the area of Educational Leadership and UAS has proven to be a significant resource for school districts. We rely on UAS to develop leaders who are well prepared to lead in the critically important and yet challenging environment of today's public education. UAS uses best practices in adult learning in an online learning environment. I heartily support UAS' Educational Leadership programs."

— DR. MARY WEGNER, SUPERINTENDENT, SITKA SCHOOL DISTRICT

Utilizing a balance of speakers, case studies and products provides a "hit the ground running" foundation over the 12-month course of study. This framework of e-Learning and face-to-face classes creates a unique, effective platform for leadership success in Alaska's districts.

THE COHORT MODEL All candidates take every class together.
E-LEARNING The University of Alaska Southeast has long been a leader in the design and implementation of e-Learning programs throughout Alaska.
LEADERSHIP ACADEMY Juneau-based summer intensive learning sessions with your cohort.
INTERNSHIPS On-site internships that span the year.
