

Spring 2008

University of Alaska Southeast

Lifelong Learning Series

LECTURE SERIES

Air, Land, & Sea in Southeast Alaska

SAVE \$5: Attend all three lectures for \$25

Aviation March 7

COED 001 J01

Cost: \$10.00

Date/Time: March 7; 1:00 – 3:00 p.m.

Location: Egan 221/222 (Glacier View Rm.)

Explore with retired Alaska Airlines pilot, Doug Wahto, how modern training and tools, computer technology, satellite communication and navigation are changing the face of aviation.

Mining March 14

COED 001 J02

Cost: \$10.00

Date/Time: March 14; 1:00 – 3:00 p.m.

Location: Hendrikson Bldg. 206

Jim Geraghty, avid local historian, will present the history of mining in Southeast Alaska. There will be a short PowerPoint presentation, discussion, and a question and answer period.

Shipwrecks March 28

COED 001 J03

Cost: \$10.00

Date/Time: March 28; 1:00 – 3:00 p.m.

Location: Egan 221/222 (Glacier View Rm.)

Annette Smith, a local diver for eleven years, has explored diving sites and sunken ships throughout Southeast Alaska. She will bring stories, both old and new, of two shipwrecks in Southeast Alaska — the Princess Sophia and the Princess Kathleen.

COMPUTER SERIES

SAVE \$5: Attend both computer classes for \$45

Basic Computer March 7, 14

COED 001 J05

Cost: \$30.00

Date/Time: March 7 & 14; 9:30 a.m. – noon

Location: Whitehead Bldg. 102

Alice Sollie, has been in the teaching profession for 15 years, specializing in teaching introductory computer courses. In this course she will present an introduction to computer skills, the Internet, e-mail and its functionality using Outlook and free e-mail services, keyboarding, and word processing.

The Environment in Southeast Alaska March 28

COED 001 J04

Cost: \$20.00

Date/Time: March 28; 9:30 a.m. – noon

Location: Whitehead Bldg. 210

Clay Good, retired Juneau High School oceanography teacher, will take participants on a Google Earth flight over Southeast Alaska and beyond to explore the forces that shape this region and create its unique transportation challenges by "air, land and sea".
