**Tech Prep Articulation Agreement  
Between  
University of Alaska Southeast (UAS)  
and  
Ketchikan Gateway Borough School District (KGBSD)**

**Health Sciences  
School Year 2017-2018**

**Purpose:**

In addition to the general Tech Prep Agreement, the purpose of this articulation agreement is to outline the mutual understanding as we have agreed to the following process and criteria with respect to the program of Health Sciences.

**Course:**

The school district program will follow a curriculum coordinated with the administration and faculty of UAS pertaining to the following course:

**Health Science - Medical Terminology**

**HS S135** An introduction to root forms, prefixes and suffixes and medical abbreviations. Focus is on terminology of body systems related to symptomatology, diseases and treatment. **3 Credits (3+0)**

**Prerequisite: High School Biology**

Although teaching methods may differ, this course will be subject to the instructional objectives and outcomes of the previously approved course syllabus that aligns with the UAS syllabus, rigor, and learning outcomes.

**Administration:**

1. Students must have an overall 2.0 GPA to register for university credit.
2. It is recommended that course work be completed at a level of 3.0 GPA.
3. Students must have successfully completed a full year of biology prior to enrolling in the Introduction to Health Science and Medical Terminology courses.
4. Students must have achieved at least junior status in order to enroll in the Introduction to Health Science and Medical Terminology course.
5. UAS program chairs shall review and approve all course syllabi and related curriculum documents to ensure they replicate the UAS course. This includes standardized course syllabi, course objectives, textbooks, tools, equipment, and methods for evaluation.
6. To receive concurrent credit, the student will register for the Tech Prep course at the beginning of the term in which the competencies will be completed. Registration for yearlong courses will take place during the fall semester.
7. The UAS grade posted will be the UAS grade earned for the course and submitted by the district instructor.
8. Student grades will be submitted by 5:00 p.m. of the final day of the district semester at [uonline.alaska.edu](http://uonline.alaska.edu).
9. Any change in instructor requires suspension of this addendum.
