

ALASKA COLLEGE  
OF EDUCATION

## **Praxis® CASE (Core Academic Skills for Educators) Instructions**

You must have **passing scores from the Praxis® CASE** (also referred to as *Praxis® Core*) to be fully admitted to a teacher preparation program in the State of Alaska. The three tests (Reading, Writing, and Mathematics) may be taken individually or together (Combined Test) and can be re-taken if needed.

**The tests and test codes are designated as follows:**

1. **5713** Core Academic Skills for Educators: **Reading** (Qualifying Test Score-156)
2. **5723** Core Academic Skills for Educators: **Writing** (Qualifying Test Score-162)
3. **5733** Core Academic Skills for Educators: **Mathematics** (Qualifying Test Score-150)
4. **5752** Core Academic Skills for Educators: **Combined Test**

**If you are taking all three Praxis® CASE/Core Tests on the same date, please register for the 5752 Core Academic Skills for Educators: Combined Test.**

Please view <http://www.ets.org/praxis/ak/> for an overview of the testing requirements. Currently the ONLY version of the Praxis is a computer-based test. After preparing for the tests, when you are ready to register, scroll down the webpage to the bottom and click “Register for a Test.” During this process you will be able to pull up the Test Center locations to identify the nearest testing center.

After your test date, your **scores will be available in about 2 - 3 weeks** to you via your online account (and your designated score recipients). The writing score will usually come in a week after the other scores if you took the Combined Test.

**Coronavirus Praxis Testing Updates:** Please see the following website for updates regarding important information about future Praxis testing and test taker support. ETS is offering select Praxis tests (the most frequently administered tests) at home while many test centers are closed. Please visit this website for specific equipment requirements <https://www.ets.org/s/cv/praxis/at-home/equipment/> and this website for general testing updates <https://www.ets.org/s/cv/praxis/the-americas/>.

**When you register for the Praxis® CASE/Core, be sure to designate UAS and AK DEED as Score Recipients.** In order for your scores to be reported to UAS and the Alaska Department of Education and Early Development (DEED), you will need to identify UAS and AK DEED as score recipients on your registration form or during the registration process. To do this you will need to list “U of Alaska-SE” and “AK DEED” under Score Recipients and enter the code for UAS (**4897**) and DEED (**7027**). **If either UAS or the Alaska Dept. of Education does not receive your scores, you will need to contact ETS and pay a fee (about \$50) to have your scores re-issued.**

If you register for Praxis tests at Praxis testing centers in Alaska, your scores will automatically go to DEED. (more info on next page →)

However, if you register for Praxis testing at home, your scores will not go to DEED automatically. DEED must be manually listed as a score recipient when registering for Praxis tests taken outside of a Praxis testing center or they will not receive your scores.

## **Test preparation materials**

Khan Academy and ETS are collaborating to offer free test preparation for all Praxis CASE/Core tests. Watch a demo video here <https://www.ets.org/praxis/prepare/khan/praxis-product-demo-transcript> and get started with Khan Academy below.

### **Official Praxis Prep through Khan Academy:**
