

Master of Arts in Teaching - Secondary

Student Information Sheet

Placement Requested

Please note the school district you would prefer to complete the student teaching portion of this program in and list the subject you are seeking an endorsement in. If you have a preference for a specific school to student teach at, please list that name under “Nine-month school site requested” and indicate if it is a middle or high school. If you do not have a preference, leave that part blank and we will select a school in your preferred district for you.
